Rangers' schedule

The Donegal Rangers will open their busy schedule this year with two local events. On April 17th they will hold their last public recruitment at the Sultzbach House in Marietta from 1 to 5 p.m. This will be the last opportunity for local men to sign up for the 1976 celebration activities. Prospective members may be interested to know that the Rangers have been accepted into the BAR, of the American Revolution a nationally recognized organization known for its uncompromising adherence to authenticity.

On April 24th, the Rangers and their ladies will attend the bicentennial ball at Riverview to lead the Grand March. They will also present a museum display and be in charge of costume judging. In addition, they have some enjoyable surprises for all those who attend. To get in on the fun at this affair, contact Spangler's in Marietta or Houseal's in Maytown for tickets.

In keeping with their goal of bringing Donegal Area history to the attention of the public, the Rangers have planned several educational events for the coming months. They will host Col. Oscar Strok, a noted historian at a public lecture on June 3, 1976 at 7:30 p.m., at Marietta Community Building. They are also planning museum displays at local sites to be announced later.

The Ranger's busy schedule will include trips to VA, NJ, NY, OH, MD as well as numerous places in PA both distant and local. Invitations have been extended by the Department of the Army, State and local bicentennial committee for encampments, reenactments, shooting matches, and ceremonies.
