Karen Greider

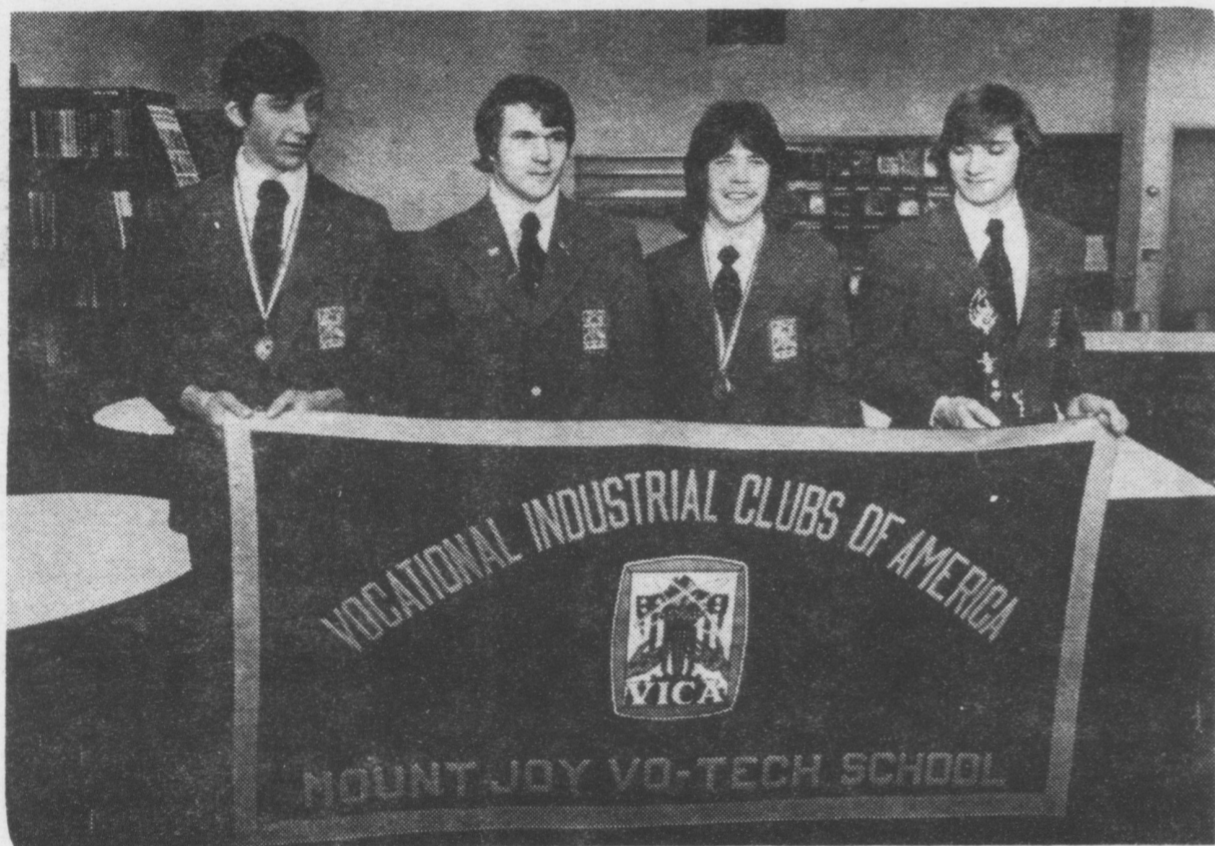

Chemistry; Spanish Honor Society-10-12; and National Honor Society-11-12.

In addition to her school activities, Karen holds a part-time position in the Elizabethtown College cafeteria.

She is a member of the Mount Joy Church of God.

Following graduation from Donegal High School, she will attend Muhlenberg College in Allentown, PA to major in chemistry.

Four local Vo-Tech students win awards

From left to right are; State machine shop champion Fred Stauffer, state VICA president Mike Carroll, state 2d place welding (mig and tig) winner Dave Wilt, and 2d place industrial electricity winner Joe Shoemaker.

March 29, 30 and 31, the Vocational Industrial Clubs of America held their annual Pennsylvania State Conference at Valley Forge. At this conference approximately seventeen hundred vocational education students competed in leadership and trade skills. Four students who attended this conference from the Lancaster

County Area Vocational-Technical School in Mount Joy were very successful in winning top honors. Mike Carroll, from Donegal and an Electrical Occupations student at the Mount Joy Vo-Tech, was successful in being elected State President for next year, 1976-1977.

Fred Stauffer, a Hemp-

field student, was the first place gold medal in his trade area—Machine Shop.

Second place trophy winners were Dave Wilt from Manheim Central in Mig and Tig Welding and Joe Shoemaker from Donegal High School in Electrical Occupations—Industrial Wiring.

lates of a Coal-Fired Power Station." He is the son of Mr. and Mrs. Terrence D. Shope, Marietta, R.D. 1.

Two Donegal students took second and third place in the chemistry division of the fair. Kirk Wolgemuth, a senior, won second place with a project called "A

Cumulative Chemical Photometer." Kirk is the son of Mr. and Mrs. Arthur Wolgemuth, Mount Joy, R.D. 1. Jean Bixler, a Donegal senior won third place in chemistry with her project entitled "Think Zinc." She is the daughter of Mr. and Mrs. C. Roy Bixler, 401 S.

Market St., Mount Joy.

And so, for the seventh year in a row, Donegal School District carries on its tradition of entering more projects and taking more prizes at the annual Science and Engineering Fair than any other Lancaster Co. school district.
