## Hockey club meets Weds.

The Norlanco Club Hockey Team will begin its third season of play with an important meeting on Wednesday, April 28, at 7:00 p.m. in the Home Economics room of the W.I.

Beahm Junior High School.

Last year's team members are urged to continue their support by attending this meeting.

Prospective members are reminded that club hockey is an opportunity for women who are beyond high school age and are not presently playing on a college team to continue playing hockey.

Players from the Elizabethtown, Manheim, Marietta, Maytown, and Mount Joy areas are welcome to participate. The club's home field is Donegal High School where games are played on Saturdays and Sundays beginning in September.

Presently, there are approximately nine club teams in the counties of Lancaster, Lebanon, York, and Berks which are in the process of forming an intercounty league for the 1976 season.

This year's Norlanco Club would like to initiate non-playing memberships along with the regular playing memberships.
