MJ Authority (cont.)

[continued from page 1]

Voegler said the authority will have to choose from three methods of conducting the television inspection. (1) the borough would purchase their own equipment and use borough employees; (2) authorize the borough engineers (Gannett, Fleming, Corrdry and Carpenter) to do the work or (3) advertise for bids and hire an outside firm.

In other business the authority approved a request from J. Walter Heisey for a water and sewer line extension on Hill Street. Heisey owns four lots there and plans to build four single family dwellings.

Approval was given to Heisey providing he present plans of the units and execute a formal agreement with the authority.

Joseph Bateman, boro manager, told the authority that National Standard Co. is now operating on a continual sample basis until it completes a waste treatment system of its own. The authority will sample liquid wastes from the plant twice a day to see that allowable

standards are met.

The authority granted permission to the Friendship Fire Company to use authority property at David and Henry Streets for a state-run Fire School on equipment use and for a circus planned for September 30. The firemen will be responsible for all insurance and control of the practice session as well as, the traffic for the circus.

La Leche to meet

The Elizabethtown-Mount Joy group of the La Leche League will meet Thursday, May 13, at 7:30 at the Norlanco Family Health Center.

The topic for discussion this month will be, "Advantages of Breastfeeding to Mother and Baby."

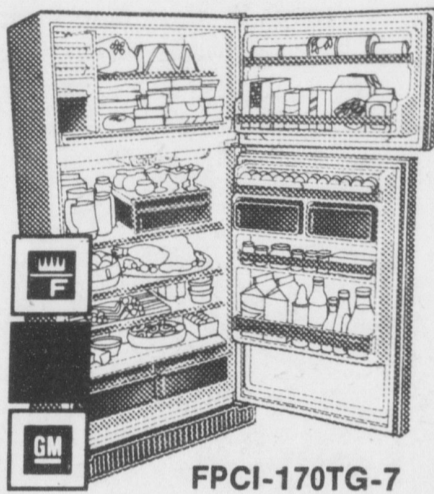

Mothers and babies are invited to attend. Anyone interested in the group may call Mrs. Gladys Thompson, 426-1306, Mrs. Grace Faus, 665-4582, or Mrs. Elaine Good, 653-1590.
