

Mount Joy's Mayor James Gingrich signs proclamation endorsing the local campaign to raise funds to fight Multiple Sclerosis. Mrs. Elizabeth Dolfinger, area coordinator for the fund drive, looks on.

## MS months declared by Mayor Gingrich

Mayor James A. Gingrich has urged residents of Mount Joy to support the 1976 Multiple Sclerosis Hope Chest Campaign being conducted by the Lancaster Chapter of the National Multiple Sclerosis Society now through Father's Day, June 20.

In a proclamation presented to Mrs. Elizabeth Dolfinger, Area Coordinator, the Mayor declared May 9 through June 20, to be the official "Conquer Multiple Sclerosis Months."

The cause of multiple sclerosis is unknown, and as

yet, there is no preventive or cure for this disabling disease of the central nervous system. It is generally first diagnosed in the prime family and career-building years between the ages of 20 and 40, and its physical, psychological, and economic effects can be devastating.

Volunteers are still needed in the Mount Joy area for House to House Convassing. Those who would give their time for this cause can contact Mrs. George R. Dolfinger at 367-6223.
