Memorial Day plans

Memorial Day ceremonies will be conducted Monday, May 31, 1976 at the Mount Joy Memorial Park, Commander Harry E. Greenawalt of American Legion Post 185 announced today.

All residents of Mount Joy are invited to attend and participate in this significant patriotic observance of our nation's Bicentennial Year.

The ceremonies are scheduled to begin at 10:30 a.m. The speaker for the day will be Rev. W. Richard Kohler, and the Boy Scouts of Troop #39 will assist in the Flag Raising.

The observance of Memorial Day is an American tradition which began during the Civil War. The first national observance was established in 1868 when Gen. John A. Logan, commander-in-chief of the Grand Army of the Republic, issued his historic order, calling for commemorative rituals to "respect comrades who died in defense of their country."

For many years after the Civil War, the GAR in the North and the Confederate Veterans in the South took charge of Memorial Day Rites in their respective communities. When these organizations became unable to carry on actively these annual observances, which include the decoration of graves of family and friends, the American Legion pledged its help to preserve the tradition.

In urging the citizens of Mount Joy to make this year's Memorial Day observance a truly significant milestone of the nation's Bicentennial, Commander Greenawalt referred to the following excerpt from Gen. Logan's original order:

"Let no avarice or neglect no ravages of time testify to present or coming generations that we have forgotten as a people the cost of a free and undivided republic."

Commander Greenawalt pointed out that the observance of Memorial Day should begin with the display of the United States flag by every home and business firm.
