45-day period allowed by law and hopefully would make the decision by their June meeting. A variance for Franklin B. Zink, 301 East Main Street, to locate single family semi-detached dwellings in an R-2 area was denied. The proposed site, known as, Pennsbury Manor is located in the Crossroads, South Market Avenue, Donegal Springs Road area.

A special exception was granted to Mrs. Myrtle Sipling, 46 West Main Street, in order to locate an apartment in a commercial establishment located at her business address, 48 West Main Street.

Mr. and Mrs. Thomas Schatz, 504 West Main

Street, were granted a variance on sideyard restrictions in order to locate a garage at the rear of their property. The United Telephone Company, 40 North Third Street, Columbia, requested an extension on its variance granted to locate a trailer at its Mount Joy Office located at Apple-tree Alley and Comfort Alley.

Equipment Supervisor, Paul Holder, told the board the project, to build a reporting center, had to be postponed on account of the economy, but is now back into the United Telephone Company budget.

The variance was granted until May, 1978.
