## Letter to editor

Dear Editor

The Donegal Elementary Reading Teachers would like to express our sincere appreciation for your coverage of Project D.A.R.E.. the program ended last Friday, May 14. At that time the following number of awards had been presented to students in each building.

Grandview - 73; Maytown - 114; Riverview - 116; and Seiler - 88.

Every child who received an award had his picture in your paper, sometimes two or three times. The pictures were a tremendous incentive for the children.

We are thrilled with the

success of this project and fully realize that we owe a large portion of that success to the **Susquehanna Times**. The other portion of that success we owe to the children who worked so hard to complete their requirements and to the parents and teachers who encouraged them.

At student request we plan to run a similar project next year. Until then, thank you again for your weekly visits, often at very, short notice, and your over-all interest in the coverage of all school activities.

Sincerely  
Linda Bozer  
Elementary Reading  
Supervisor
