Harnish to be honored at retirement tea

Mr. Samuel S. Harnish, principal of Beahm Junior High School for the past ten years, will be retiring after this year. In honor of his services in the Donegal School District, a Drop-In Tea is scheduled for June 7, 1976, from 7 p.m. to 9 p.m. in the junior high cafeteria. Anyone who has been associated with Mr. Harnish during his professional career is cordially invited to attend. The tea will also give everyone a chance to see friends from the past.

Sam Harnish hoped to avoid junior high schools when he became a teacher back in 1936. He wanted to be a high school band leader.

"The only place I didn't want to teach was in junior high," Mr. Harnish recalls. "I don't regret that I'm in a junior high, though."

Sam Harnish has been working with junior high students for 27 years now, and he likes them. "I find it to be an age when kids are very honest and forthright about their feelings," he says. "That's healthy, but it can be a detriment if they are not guided in how to express themselves."

Kids are somewhat more outgoing and sophisticated than they were 27 years ago, but not much tougher to handle, Mr. Harnish says. The job of a school administrator has become a lot more difficult, however, especially during the current economic crunch.

Success as a school administrator is often synonymous with good communication, Mr. Harnish says.

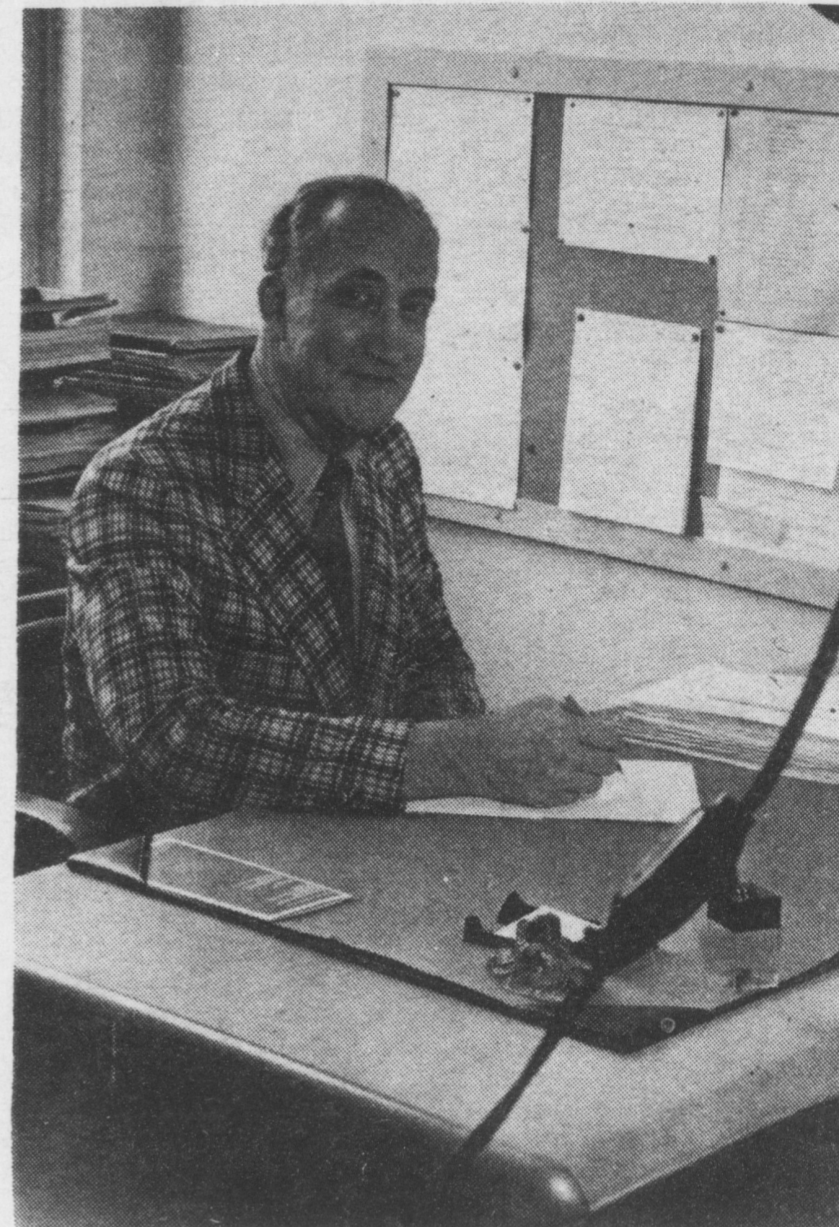

"If people can communicate properly, the problems often disappear," he notes. This is especially true of relationships between the school and parents.

Sam Harnish was born in East Lampeter Township on Dec. 6, 1914. He began playing the piano at age 8, and his family encouraged him to pursue a career in music. He got a B.A. in music from Lebanon Valley College and an M.A. from the University of Pennsylvania.

Mr. Harnish began teaching music in Paradise Township in 1936. He later taught in Hempfield Township and the Millersville State College Jr. High Laboratory School. He served as principal of Penn Manor Jr. High for ten years, and as principal at Beahm for ten years.

He and his wife, Mary Jane, have lived in Mount Joy for 28 years. They have five children; Sam, John, James, Catherine and Martha. All five are DHS graduates. Mr. Harnish is an active member of the Lions Club and the Lutheran Church.

"I've enjoyed my 10 years in the Donegal School

District," Mr. Harnish says. "The administration, school board and faculty have all been enjoyable to work with."

In his retirement, Mr.

Harnish hopes to do church and community work, travel and make himself useful to his children's families.

Grandview School has Play Day

These youngsters at Grandview's play day lost the tug-of-war but enjoyed falling down.

Mike Sager, Daryl Hou-seal, Jon Sheetz, Kris McCue, and John Hayman, all high school students at Donegal, pitched in to help to conduct the games at the annual Play Day at Grandview School, Friday.

Games were set up as contests for the kindergarten through sixth grades and included: sack races, tug-of-war, three-legged races, broad-jump, etc. At the end of the activities each student held a helium filled balloon to which a card with their name and address was attached, and at a given signal the balloons were released into the air. It is hoped that

anyone finding the balloons will write to the child whose name and address is attached. It will be interesting to find just how far the balloons may have

gone. So, if you see one of the balloons in your backyard or in your travels, please get in touch with the student and tell where it was found.

DID YOU HEAR...

Six brothers and sisters will graduate from Donegal High School during the regular exercises Wednesday, June 2. Among the family members are three sets of twins.

The twins in the class are Craig Lauver and

Kathy Lauver, Leah Powell and Lisa Powell, and Kathy and Keith Beach.

Kevin Milligan and Dwight Milligan, Dennis Hess and Barbara Hess, and Vaughn S. Baker and Bonnie are the brothers and sisters.
