## Stehman's IGA donates 48 flags

Forty-eight flags of America were carried by Grandview students in the Mount Joy Memorial Day parade. The flags are a gift from Stehman's IGA.

Students from Grandview Elementary School carried 48 flags of America in the Mount Joy Memorial Day and birthday parade on Saturday.

The flags were purchased by Stehman's IGA market to be donated to the Mount Joy Historical Society as a contribution to Mount Joy's bicentennial celebration. Each flag de-

picts an historical moment in our country's 200 year existence.

Of special interest to residents of Lancaster County is the flag of the Hanover Associations. This flag reflects the willingness of Lancaster County volunteer troops (The Hanover Associations) to fight for independence from Great

Britain in the year 1774. The flag bears the slogan "Liberty or Death" and features an illustration of a rifleman ready for battle.

These 48 flags of America will be on display in Stehman's IGA market during the month of June. Then they will be turned over to the Mount Joy Historical Society.
