## ...school board

(continued from page 1)

Four persons on extended contracts were notified the proposed 1976-77 budget does not include funding for more than 185 days or 9 1/4 months. They were informed that since this involves a reduction in contract salary, they are entitled to board hearing if they desire one. Of the four, John Day, guidance counselor at the high school, informed the board he is requesting a public hearing. Date for that hearing is June 23, at 7 p.m. at the business office.

Parents from Southern Rapho Township have petitioned the Manheim Central Board to permit them to send their students to Donegal Schools on a tuition basis, to be paid by the Manheim Central District. The Donegal Board could not take any action on this question since it was only a matter of information at this time.

Board members gave their approval for Youth for Understanding program in the high school in 1976-77. Mr. and Mrs. Joseph Deckert, of Mount Joy, will serve as host family for a Finnish girl, Oili Joenper, 17 years of age. No financial aid will be given from the school district but she will be given free tuition. Mrs. Mary-Margaret Peraro and Emil Swift, high school coordinators and Mrs. Anne Messersmith, Lancaster resident local representative for Y.F.U. program from Ann Arbor, Michigan, will supervise the program.

The board was informed by the Department of Environmental Resources that they have granted an extension until August 30,

to complete high school tile field permanent repair.

Permission was given, by the board, to pay \$406.73 to the East Donegal Township Supervisors for the high school tile field permit and plans, as well as supervision of construction work.

Bids were received for the work on the tile field and were awarded at the meeting. The contract went to Ira N. Williams, R.D. 7, Manheim for the low bid of \$6014.79. Other bids were as follows; Cope's Plumbing and Heating, R.D. 1, Manheim, \$7332.76; J. Robert Gible, Manheim, \$6987.46; W. E. Mohr, Bainbridge, \$7250.00 and Funk Bros., Inc., Washington Boro, \$8215.00.

Service and Rebuilt Sales, Landisville, for \$1209.00 for service on 221 office and business typewriters, adding machines and calculators; Sico Oil, Mount Joy, for fuel oil #2 at .13110/gal +.034 posted price plus, \$13.00/hr. for service man and \$18.00/hr. overtime rate; refuse removal, to Quality Lines, Maytown for \$320.00/month for September to June and \$50.00/month during July and August with \$1.50/yard extra as needed. The board set its meeting dates for 1976-77; 3rd Thursday of each month (except December reorganization on the first Thursday) for 8 p.m. in the district office building board room.

The tentative district calendar for 1976-77 was accepted by the board.
