Irish setter gives birth to 14 puppies

by Judy Stoltzfus

Ray and Donna Leety and their five year old daughter, Lori, Glenn Ave. Mount Joy, had only two dogs until the Fourth of July. Then their five year old AKC Irish setter, Sandy added 14 new puppies in one litter.

Eleven of the pups survived. They have names that are longer than they are, e.g. Shiny Red Penny, Lancer's Crimson Casey, Tristan's Copper Kettle, and Baron Shannon Muldoon.

Most of the pups will be for sale when they are ready to leave their mother who, incidentally, was bred for hunting not littering.
