## Mt. Joy swim team will host meet for divisional championship

The Divisional Championship for Section 3 of the Lancaster Swim Program will be held at the Mount Joy Lions Pool on July 31. Judging by their performance so far this year, the home team has a good shot at the title.

There are 104 athletes, ranging in age from 5 to 17, on the Mount Joy Swim Team. The team is undefeated after 3 meets this year.

The older kids on the team swim 2 to 3 thousand

meters a day to stay in shape for meets. Younger members cover 1,000 meters a day.

Head coach Dean Buchanauer, who swims for Johns Hopkins during the winter, has been leading the team for 2 years. Dean, a DHS grad, was able to get a pace clock for his team this year. The clock helps the athletes measure their progress between meets.

Assistant coach, Patty Wolfe, a Donegal High School graduate who works

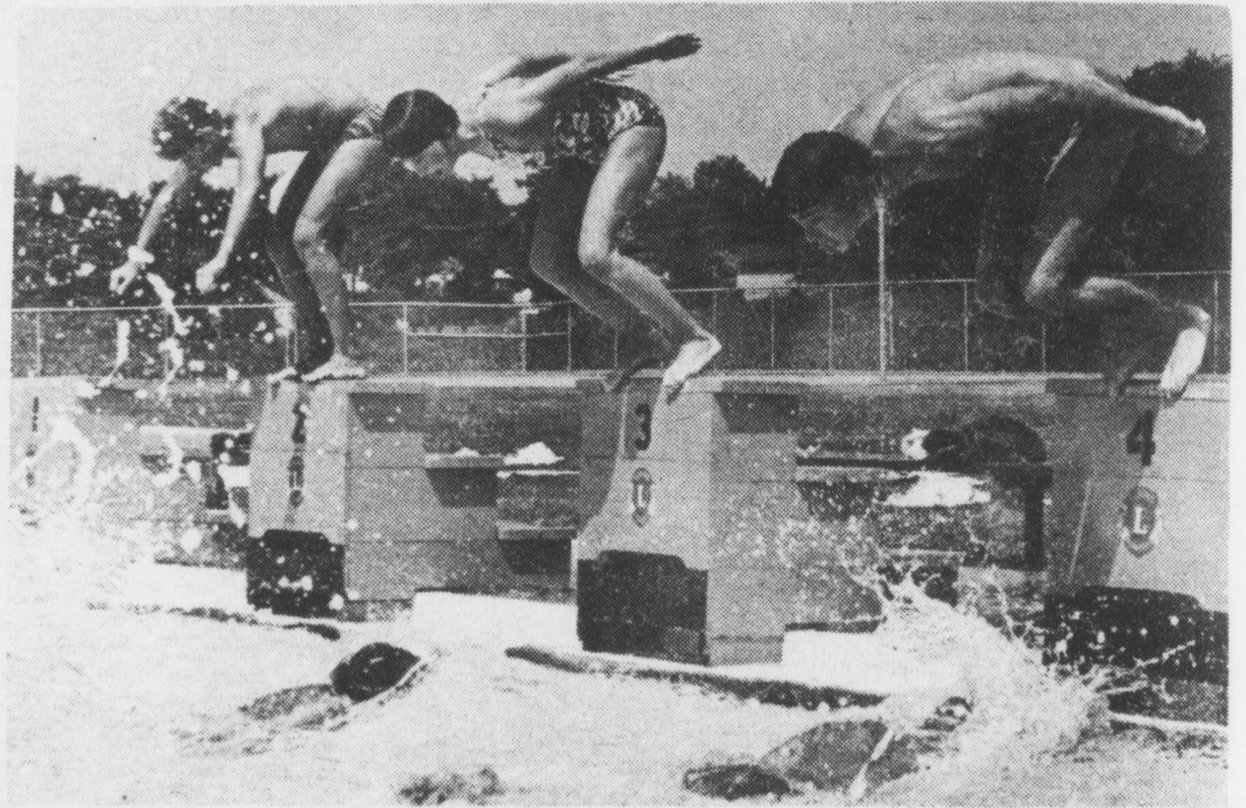

as a secretary for the school system, specializes in teaching younger members of the team. Donegal senior, John Hayman, also helps coach.

The team is supported by the Parents' Swim Team Club and the Mount Joy Lions. Fund-raising activities include pizza sales, family picnics, and sleep-outs at the pool.

The team participates in the Save-A-Life, Swim for Cancer program to raise money for the American Cancer Society.

Youngsters practice starts under the tutelage of Patty Wolfe.

Swimmers practice relays at Mount Joy pool.
