## PEOPLE SAY THE SWEETEST THINGS TO STEAL YOUR MONEY.

Some people make a living talking other people out of their money. They're sweet talkers. They're very good at it. And they could be *anybody*.

How can you spot them? *The tip-off is that they'll always get around to asking you for money.* No matter how convincing their reasons may be, learn to say the safest word you know. "No!"

Here's an example. It's the "bless your money" swindle. A charming stranger offers to "bless" your money in order to remove a curse or to perform some type of ritual which will increase its value. You are asked to withdraw cash from your account. In the process of handling your money the stranger excuses herself for a moment. She's gone and so is your money.

**There's only one thing to say to a swindler:  
"No!"**
