

Officials greet supermarket execs

Executives of organizations involved in the new half-million dollar supermarket being built on the outskirts of Marietta were welcomed to the Marietta-East Donegal area by local officials last week. Photo shows from left to right; Roy Keefer, director of advertising for United Associated Grocers, Inc.; Jim Johnstin, East Donegal supervisor; James Attig, director of retail operations for United Associated Grocers, Inc.; Paul Burtz, Jr., president of Supermarket Investors, Inc.; Richard Williams, representative of Dreisbach Specialties, Inc.; Barney McDevitt, mayor of Marietta. Supermarket Investors, Inc., is building the market; United Associated Grocers, Inc., is serving as a consultant for the market and will supply the market with merchandise; Dreisbach Specialties, Inc., is designer of the new facility.

Midgets start football practice

Photo shows Head Trainer Ron Alleman at work with a Midget football player. The Midgets and Midget cheerleaders are hard at work training for the fall season.

Photo shows, on left, Medical Technician John Farmer holding new Heart Defibrillator with monitor screen and recorder. Fireman Bob Gantz kneels behind the Hurst Tool, which exerts a two ton force for lifting, prying, and cutting. This tool is often invaluable in assisting persons trapped inside crushed autos. On the right, John Thomas poses with portable engine which powers Hurst Tool.

Friendship buys new equipment despite shortage of community \$\$

Friendship Fire Company of Mount Joy recently placed in service new life-saving, time-saving emergency care equipment: a Life Pack 5 Defibrillator, Heart Monitor and a Hurst Power Rescue Tool. The Heart Monitor was purchased at a cost of \$5,800.00; the Hurst Tool at \$5,000.00-- total \$10,800.00.

The Department considered a building program to relocate the replace the present firehouse with a larger, more efficient facility. It was decided to postpone a building project for the immediate future and continue the up-dating of equipment begun in 1971.

In June, Mount Joy firemen sent Fund Drive letters to each household, business and industry in the Borough. In addition, firemen hand-carried the Fund Drive to the rural areas they served-- portions

of East Donegal Township and Rapho Township. Treasurer and Fund Drive Chairman, Dennis Fackler reports that 4,500 letters were mailed and delivered. As of last Monday, the Department received 270 replies from the Borough and 135 replies from the rural area, receiving a total of \$6,400.00. The Fire Company had hoped to receive enough funds to pay for the purchase of the new equipment, but has come up short by \$4,400.00.

Treasurer Fackler emphasized that the citizens and industry who gave to this year's Fund Drive gave generously, but the total of only 405 replies is disappointing. Says Fackler, "We didn't have a Fund Drive last year and we didn't move ahead with a new building, due to the economic conditions, inflation, etc. We felt the citizens would be more receptive to the purchase of

needed equipment this year, but we fell short of our goal." Fackler stated further, "The allocation received from the Borough pays only the utilities, fuel and insurance on the vehicles. We've always paid our own maintenance and equipment purchases. Without our weekly Bingo games, our financial picture would be extremely different. We have a small debt on the new ambulance and the Heart Monitor and Hurst Tool, that we had hoped to pay before the end of the year.

Perhaps now that our new equipment is in service and the public can see what it does, those people who have not replied to the Fund Drive will answer the Company's call for help!"

WE HAVE THE FARM BOSS AND IT IS A STIHL.

IT STARTS EASIER.
Because of a hotter spark, better carburetion and a flood-free design.

IT'S MORE RELIABLE.
Because it has longer-wearing moving parts that won't break down.

IT'S MORE POWERFUL.
Because it has the biggest power to weight ratio of any popular saw.

IT'S QUIETER.
Because its large baffled muffler is more than just a tin box.

IT COSTS LESS.
Because a saw that'll last about twice as long will only cost about half as much.

Over \$30 worth of free accessories including a spare cutting chain really make the Farm Boss a Stihl.
