

A lesson in "family planning"

Photo shows Jimmy Smith kissing Constance Nadine, his new sister, while their parents watch. Little Constance doesn't seem too impressed by the fact that she was born exactly two years, to the day, after her brother. Being photographed and kissed didn't impress her either. She's yawning in the picture.

Mr. and Mrs. James Smith, 339 East Market Street, Marietta, have a great sense of timing.

Their children, Jimmy and Constance Nadine,

were born exactly two years apart. Both were born on August 23, both weighed 9 lb. 2 oz. and both were delivered by Dr. George Brady.

Two-year old Jimmy

seems to think his newborn sister was an excellent birthday present. He likes to kiss the baby, and calls his mother to the rescue when she cries.
