Mount Joy Boro Council news

Mount Joy Borough Council accepted, with regrets, the resignation of Councilman, Ronald Hawthorne.

In his letter to council Hawthorne sighted pressures of business that were in conflict with council duties.

His resignation becomes effective September 30.

Council president, Charles Ricedorf, appointed George Fitzkee chairman of the Administration and Finance Committee, directing that body to bring a council recommendations for a replacement to fill the vacancy.

Council voted 8 to 1 approving the police wage and benefit contract for 1977.

The contract gives an average wage increase of 9.34% with benefits remaining the same as 1976.

In other business council received bids for installation of a traffic detection loop. E.M.R., Reading, submitted a bid of \$384. The low bid, accepted by council, was from R. W. Lutz, Hummelstown, for \$160.

The traffic detection loop will be installed in the road surface at the intersection of Main and Angle Streets, on the north and south sides of Main.

The detection loop will signal the traffic light to change when an automobile drives over it.

Other bids were received from B. R. Kreided, R.D.

#1, Manheim (\$7,020) and Bituminous Applicators, Inc., Lancaster (\$6,027) for the paving of the Boro Park parking lot. The council accepted the low bid and said the work will be completed by November-1.

Warren Hayman, director of the summer recreation program, gave a report to council calling the program a "very successful" one. Boro manager, Joseph Bateman noted that Hayman was very dedicated to the youngsters needs in the borough and told council Hayman "really puts much more into the program than he receives."

Mayor James Gingrich announced Thursday, October 28, from 6 to 10 p.m., as Trick or Treat night in Mount Joy.

Donegal conquered E-town 20-16 in this fall's football season opener.

The Indians led 20-0 until the closing minutes of the first half, when an 11 play, 60 yard drive put the Bears on the scoreboard. E-town scored again in the third quarter. After that, neither team was able to reach the end zone.

Donegal's first touchdown was scored by Pete Splain, who hauled in a pass from quarterback, Kevin Bradley, then danced past several charging Bears for 29 yards and 6 points.

The Indian defense played a particularly outstanding game, blocking 3 punt attempts.

Mike Carroll knocked down an E-town punt and put the Indians in scoring position, but the DHS offense was stalled short of the goal line. The Bears took over the football, but were equally unable to move.

When E-town tried to punt a second time, Arlan Mumma slapped the ball from the air, and Marlin Emenheiser recovered it in the end zone for a TD.

Al Newlin was responsible for the 3rd blocked E-town punt of the afternoon. His recovery put Donegal on the Bears' 14 yard line. The Indians picked up a first down, then Newlin capped his achievement by carrying the ball across the goal line.

Darryl Houseal scored the 2 point conversion.
