

Grandview in study

Mr. R. F. Hallgren, superintendent, Donegal School District announced today that the Grandview Elementary School has been selected as one of the 326 schools throughout the country to be part of a nationwide study of compensatory education. Mr. Hallgren said that this is the largest and most thorough study of basic education ever undertaken. The major purpose of the study is to try to find out which kind of compensatory education is most effective in improving children's reading and mathematics skills.

The schools in the study are a representative sample of the nation's schools. In the fall and spring, all children in the school will be given achievement tests in reading and mathematics, a test of practical achievement, and a measure of their attitudes toward reading and mathematics. Data will also be

collected on the amount and kinds of instruction received by students, as well as the instructional practices of school personnel. Data will be collected for three successive years so that longitudinal progress can be determined.

In reporting results, both the schools' and the participants' confidentiality will be assured by a system whereby each participant is identified by number, and the names of the students involved are held at the school. Mr. Hallgren said, "Under this system, the school has the names of participants, while the research organization has the student identification numbers with no names. Thus, the research organization cannot report on individual participants by name."

The study is sponsored by the U.S. Office of Education, and is being conducted by the System Development Corporation of Santa Monica, CA.

Indian booters scalp Lampeter-Strasburg

Last Monday the D.H.S. Soccer Team took to the field against a tough L.S. opponent in its first league game. In the first quarter Sang Noua, Kris McCue, and Jake Sherk made numerous shots at the goal. Donegal controlled most of the play in the second quarter, but the game remained a scoreless tie. Ryan O'Leary lead an attack on the goal in the third quarter, but the Indians were still unable to score on the L.S. goalie. Finally, in the fourth quarter Kris McCue, assisted by Henry Klugh, booted home the winning goal for the Indians.

The J.V. team was lead to a 2 to 1 victory over the L.S. J.V.'s by Jon Myers who scored both goals.

In its game with Solanco, Donegal continued its winning streak with a 5 to 0 shut-out of the Mule's team. The first goal came on a penalty shot by Kris McCue with 8:05 left in the first quarter. Ron Meckley assisted by Jon Hayman scored with 4:55 left in the second quarter. The second half brought rain drenching the field, the players, and the fans. Donegal's third score came on McCue's second penalty kick in the beginning of the third quarter. McCue got his third goal in this game with 4:35 left in the final quarter. Steve Eno saw his

way through a host of muddy Solanco players to score the final goal and end the soggy game. The J.V.'s also wiped out Solanco by a score of 4 to 0 with Marc Henri Bataille and Randy Fellenbaum each scoring one goal and Jon Myers scoring his usual two goals per game.

On Friday, September 17th the Indians of Donegal added another victory to their record. Although Donegal controlled the first quarter, the tides turned and Penn Manor dominated the play of the second quarter. Kris McCue struck with lightning speed to score just seconds into the second half. McCue scored again in the same quarter. With that goal, Kris established a new all-time scoring record at D.H.S. Congratulations!!! Mark Weidman added one more goal in that quarter. Eric Frey of Penn Manor opened the fourth quarter with the Comets' only score of the game. Randy McCoy topped off Donegal's rout of the Comets' team with a goal making the score 4 to 1.

As usual the J.V. team exhibited excellent playing ability defeating the Comets 4 to 1. Marc Henry Bataille led the team with two brilliant goals. The other two goals were scored by Mark Divet and Jon Myers.

New SICO directors

Robert P. McGinley, the SICO Co. in Mount Joy and Roy Meyer of H. L. Meyer, Inc., Cleona, have been elected to the board of

directors of the Pennsylvania Petroleum Association. They will serve for three years.
