

Norlanco medical center grows

Dr. Milton Good and Elaine Hitz

New dental and counseling suites will be built at Norlanco Medical Center, Norlanco officials announced last Friday. The Center's first dentist, Mr. Rachael Stauffer will use the dental facilities.

The counseling suite will be the domain of Elaine Hitz, a Registered Nurse and journalist, who runs the center's Education, Research and Evaluation (ERE) unit.

Elaine will be working under the direction of Dr. Milton Good, chairman of the ERE committee. The ERE counseling unit provides medical information on such topics as cancer, smoking, hypertension, heart disease, diet, and preventative medicine.

Dr. Good says, "The program is a cooperative effort with all the doctors in the community." Local physicians will refer pa-

tients to Norlanco's education program.

Programs include La-Leche Club meetings, self-breast exam techniques, and rectal cancer screening.

The programs are sponsored by the Lancaster County Medical Association.

The new suite will cost about \$75,000. The architect is Robert A. Bishop. Construction will begin this fall
