## Gerald Ford writes to Mount Joy kids

Sunday School students at Glossbrenner United Methodist Church sent a letter to President Jerry Ford, thanking him for being a good leader. The president wrote a reply, thanking the students for their high opinion of him.

The letter to the president grew out of Sunday School lesson about Nehemiah. Nehemiah was a good leader of Biblical times, who led the Israelites back to Judea. He rebuilt the walls of Jerusalem and rebuilt the Temple, which had been destroyed.

Following their lesson plan, teachers Fern Ney,

Sandy Heisey, and Jackie Peifer, suggested that their 1st and 2nd grade students thank their own good leaders. The students decided to thank local fire and police chiefs, their pastor, and the U.S. President.

Mark Dimler composed the letter to Jerry Ford and everybody in the class signed it. The letter informed the president that everyone in the class had said a prayer for him.

Mark's letter also included a tough, important question. "Why did you want to be president? he asked.

## Braves are defeated

On September 12 the Cocalico Midget Football teams handed the Donegal Braves their first loss of the season. The "B" team was beaten 7 to 0 after putting up a strong defensive battle. The "A" team which was hampered by injuries and penalties had only one good quarter; when Steve Neal ran 58

yards for a touchdown. The final score was 28-6 with Cocalico on top. The "C" team could fair no better, as the defense looked good, but the offense could not click. The score was Cocalico 19, Donegal zip.

All three teams are practicing hard for next week's game.

WE HAVE THE FARM BOSS AND IT IS A STIHL.

IT STARTS EASIER.

Because of a hotter spark, better carburetion and a flood-free design.

IT'S MORE RELIABLE.

Because it has longer-wearing moving parts that won't break down.

IT'S MORE POWERFUL.

Because it has the biggest power to weight ratio of any popular saw.

IT'S QUIETER.

Because its large baffled muffler is more than just a tin box.

IT COSTS LESS.

Because a saw that'll last about twice as long will only cost about half as much.

Over \$30 worth of free accessories including a spare cutting chain really make the Farm Boss a Stihl.
