

Learning about fire prevention is lots of fun for nursery school kids

Great day for ducks

Even the ducks seemed glad to see the wind finally die last weekend, although they probably missed the rain. These birds on the **Susquehanna Times** pond near Chickentown are enjoying the peaceful sunset after the storm.

The children of the Zion Evangelical Lutheran Nursery School observed fire prevention week in many ways, one of which was a visit to the school from the Marietta Pioneer Fire Company.

Mr. Kenneth Geesey, fire chief, brought two fire engines and one squad truck to school. The children witnessed a demonstration of all the fire apparatus such as the oxygen unit and face mask, asbestos suit, fire extinguishers, fire hoses, coats, boots, helmets, walkie talkie system, and radio system.

Mr. Geesey along with the three other helpful firemen answered questions from the children and also instructed the children on what to do for home safety.

The Zion Lutheran Nursery School is held in Marietta on Tuesdays, Wednesdays, and Thursdays of every week and is staffed by Mrs. Cheryl Ronerr, teacher, and Mrs. Jodie Linard, teachers aide.

Buddy Rich band coming to DHS

Buddy Rich and his Killer Force, a big band of sixteen men, will appear at Donegal High School on Friday, October 29, at 8 p.m. The famous drummer will be sponsored by the Donegal Band.
