Weird Show at F. & M.

A special Halloween show "Noctiluca" will be offered at the North Museum Planetarium at Franklin and Marshall College on Friday, Saturday, and Sunday, October 29-31.

The 45-minute program is a series of dreams and nightmares, contrasting beauty and tranquility with terror and unescapable forces, according to its creator, John Eliason, a senior at F&M from Hagerstown, PA.

The show combines visual planetarium effects with modern dance, both live and filmed, film work, a live recorder solo, and taped organ music.

The special show will be shown on Friday at 10 p.m., Saturday at 3 p.m. and 10 p.m., and on Sunday at 2 p.m., 3 p.m., and 7:30 p.m.

Reservations should be made in advance by calling North Museum at 291-3941. There is no admission charge.
