Safety checkpoints for Halloween treats

by Harvey E. Reem

The Marietta Jaycees will be sponsoring a Trick or Treat station for all children to have their candy checked for metal materials within the candy.

This station will be set up at the Council Chamber during the evening of Trick or Treat night.

We urge that all parents have their children stop in

and have their candy checked. There is no charge and it only takes a minute. That minute could save your child's life.

Maytown trick/treat

East Donegal Supervisors have announced that Trick or Treat night in East Donegal Township will be October 28, from 6 to 9 p.m. Children up to age 12 may participate.

Teachers, board are still talking

DEA leaders made careful preparations for a strike before they walked into the negotiating room Monday night.

The teachers were prepared to walk out Tuesday if school board negotiators flatly refused the union's latest contract proposal.

The fact that classes were held Tuesday may mean that DEA negotiators sensed some spirit of compromise at the table.

No date has been set for the next negotiating session, but school officials seem confident that talks will continue as we go to press Tuesday. At the next meeting, the board will make a new offer.

Bike rodeo Saturday

Since rain and wind postponed the Mount Joy Jaycees annual bike rodeo on October 16th, the event has been rescheduled for Saturday morning October 23rd at Seiler School from 10 until 11:30. All boys and girls in grades one thru six are invited to participate. This year's rodeo should be better than ever. There are six events this year, with each event being supervised by a member of the Jaycees. None of the events is dangerous. They are designed to check each child in his handling of his bicycle.

Prizes will be awarded to each child who accumulates the most points in his age group. Those who desire can have reflective tape applied to their bikes to make them more visible to motorists.

So if you have a special skill on the bicycle or if you just like to ride bike, come on out to the bike rodeo. Who knows, you may even be a winner or better yet you may be Mount Joy's Most Skilled Bicyclist.
