Florin Fire Co. will sell smoke-detectors

by Glenn Miller

Florin Fire company will sell smoke detectors.

The regular monthly meeting of the Florin Fire Company was held at the Fire Hall on October 12 with 24 members present. Chief Geltmacher reported six fire calls for the month of September.

Because of recent inquiries from residents, it was decided to offer smoke

detectors for sale to anyone who is interested in the lifesaving device. This detector is a ionization type, which is battery operated. For further information contact any of the following numbers: 653-1652, 653-1367, or 653-5134.

In other business it was agreed to purchase a Motorola Four Channel portable 2-way radio. The money will come from the present fund drive.

Church family night Family night planned at St. Mark's Church

by W. Richard Kohler

Wednesday nights will be "Family Nights" at St. Mark's United Methodist Church, Mount Joy, beginning with October 27, 1976. A full program with something for every age group in the period from 7 to 8:30 p.m., each week is the goal of the experiment. Concern for the involvement of the entire family in a church activity is the reason for this new approach.

To launch the program there will be a 'kick-off' on October 27th with a carry-in supper at 6:30 p.m., followed by a presentation for all family members young and old by the Kensingers family of Lancaster. The Kensingers use 'live puppets' to dramatize stories from the Bible to the delight and profit of all age groups.

Future programs of a

general nature will be held every four to six weeks. The next one will be an Advent Workshop on Wednesday evening, December 1, 1976.

In between the general meetings, there will be weekly groups for all ages—a children's group, a youth group, two choirs, and (at the start) an adult study group. It is hoped that by the first of the year, there will be three adult groups.

Each week, the last fifteen minutes (8:15-8:30) of the evening's program will have everyone together for a time of praise and prayer before dismissal.

Miss Sharon Givler, the church's associate is coordinating this new program. Participation from the entire community is invited. For more information, call 653-5493.
