Fire prevention week was success

Friendship Fire Co. No. 1, Mount Joy has termed Fire Prevention Week (Oct. 3-9) a success despite the inclement weather. The weather forced the cancellation of the mock accident in which the recently purchased Hurst Tool and Cardiac Monitor were to be featured. The vehicle accident will be staged at a later date to be announced as there were many inquiries to when it would be

rescheduled. School visits went over very well thanks to the cooperation of Seiler and Elmtree Elementary and W. I. Beahm Jr. High.

The fire prevention committee would like to thank the following for their services:

1. Greiner's Garage— for towing services.
2. Earl and Jack's Auto Parts— for supplying cars.

3. Uncle Al's Ceramic Shop— for prizes in the poster contest.

4. Reist Seed Company— for the use of the building during a drill.

5. Ken Depoe— for printing.

6. Erma Buchenauer— for typing.

7. Ladies Auxiliary— for providing refreshments at the Monday night drill and open house.
