Cable TV made interference disappear from my TV set for only 99¢

It's the best trick I've ever seen. I simply picked up my magic telephone and called for a Cable TV installation. And poof...Faster than it takes to say a magic word, I had Cable TV.

Blurry pictures, ghosts, wavy lines and interference all vanished from my TV screen. More channels than ever appeared.

Now I can see my favorite horror movies, and comedies and sports and all types of wonderful programs.

Transform your frog of a television into princely Cable TV.

Just pick up the phone and say the magic words, "I'd like a Cable TV installation for only 99¢."

It works better than abracadabra.
