Fancy Riverview jack-'o-lanterns

Miss Aurick's fifth grade class at Riverview held its third annual pumpkin decorating contest during the month of October.

The pumpkins were decorated in class. The participants were required to use paper almost exclusive-

ly to transform their pumpkins into the desired character. The children used much originality and ingenuity to create clowns, witches, hippies, colonists, and nurses.

The contest was judged by Miss Heisey, the art

teacher. First place was awarded to Sherry Engle for her pumpkin decorated as a clown. Kathy Hayman's version of Holly Hobby won second place. Third place went to Lisa Shultz for her nurse pumpkin.
