Recall on potentially dangerous cartridges

Federal Cartridge is recalling certain 30-30 rifle cartridges and empty unprimed 30-30 cartridge cases which have a structural weakness making them potentially dangerous to shoot.

The recall is for 30-30 ammunition or empty 30-30 cases with lot codes ending in -5289 through -6285. Lot codes are stamped on the back of each box. Boxes may have the brand names of Federal, Revelation, Wards, or Hiawatha.

Shooters who have this ammunition should call 800-328-7525 (in Minnesota

call collect to 612-333-8255) or write Customer Service, Federal Cartridge, Anoka, Minnesota 55303 for proper disposition and refund information.

The case heads of a small number of these cartridges may separate on firing, resulting in a jammed rifle and possible injury from escaping gas. Although no serious injury has been reported, they should not be used.

Only a fraction of one percent of the several million cartridges and unprimed cases produced are suspect.

Disabled vets to meet in Millersville

There will be a meeting on November 18, 1976 at 7:00 p.m. of Red-Rose Chapter #80, Disabled American Veterans. The meeting will take place at post #7294 of the Veterans

of Foreign Wars in Millersville, Pa. The general public is invited, and there will be a National Service Officer present to answer any questions pertaining to veterans benefits.

Mt. Joy council [cont'd.]

discovered that the tool doesn't fit into the cruiser with the many other pieces of equipment the police carry.

A request by Dr. Ephraim Awad for a waiver of the parking requirements of the zoning ordinance was discussed and a decision was made by council to require the Borough manager to inform Dr. Awad that the animal hospital he proposes would be considered a conditional use. Making a conditional use rule gives council a chance to get input from residents in the area before a final decision is reached.

The property in question is located at the rear of 75 East Main Street, the former offices of the late Dr. John Gates. It was stated at last month's meeting that a garage at the rear of the Main Street address would be converted to accommodate the animal hospital. Members of council were concerned about how the residents of the area would react and the possibility of noise and odors. Councilmen said they would welcome Dr. Awad to an open public

meeting where the doctor could explain just how he intends to operate the hospital. Dr. Ephraim Awad is a medical doctor serving Mount Joy. His brother is a veterinarian and would be the operator of the animal hospital.
