"Moonlight Madness" will begin in Elizabethtown Thursday night

If the crowds of shoppers downtown during the last moonlight event are any indication, the "Moonlight Madness" event scheduled for this weekend in Elizabethtown should be outstanding. The event will begin Thursday morning in most stores and last all weekend and will feature late-night shopping on Friday until 11 p.m. in most stores downtown. It might be noted that the parking meters in Elizabethtown

are not in operation after 9 p.m., hence there will be free parking for that portion of the special event.

According to Richard A. Hartman, general manager of the Gladell Shops and current chairman of the Merchants' Committee of the Elizabethtown Chamber of Commerce, many stores will be offering timely savings on new merchandise as an inducement to "Shop Elizabethtown First" for holiday pur-

chases.

"Elizabethtown retailers offer more than other shopping areas," notes Mr. Hartman. "First, they offer price and value, with good brand name merchandise at competitive prices. For example, just last week, a pair of nationally advertised brand name shoes was available in Elizabethtown for five dollars less than advertised by a large city chain shoe store. This

"Secondly, competent personnel will give you good service in downtown Elizabethtown--and in most cases will wrap your gift purchases free of charge," says Mr. Hartman. It was noted, however, that shoppers would be wise to do their Christmas shopping early this year to insure the best selection and service. This weekend would be a good time to get started.
