# Mount Joy Jaycees NATIONAL JAY

## Earth's Greatest Treasure...

Lies in human personality; as taken from the Jaycee Creed, is a belief which we would like to stress during this year. It is around this belief which Jaycees center their 'Leadership in Action' Series. Those programs are aimed at improving the Jaycee's self image, attitudes, speaking ability, relationship with others, and personal skills.

If you are between 18 and 35 years of age, and are interested in improving yourself and your community, please contact membership chairman, Jeff Brown at 653-2598 or any local Jaycee.

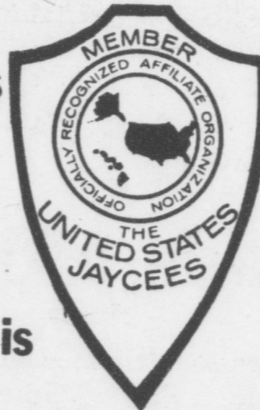

The Mount Joy Jaycees would like to thank all those who supported their projects during their 25th year. We are looking forward to serving the community even more in the next 25 years.

## The Jaycee Creed

### We believe:

- That faith in God gives meaning and purpose to human life;
- That the brotherhood of man transcends the sovereignty of nations;
- That economic justice can best be won by free men through free enterprise;
- That government should be of laws rather than of men;
- That earth's great treasure lies in human personality;
- And that service to humanity is the best work of life.

### HIS MESSAGE:

Jaycee Week is January 16th to 22nd. We will be celebrating the 57th anniversary of the Jaycee organization. The Mount Joy Jaycee Club has successfully completed 25 years.

Jaycees is an organization for young men between the ages of 18 and 35. Our chapter meets the second Tuesday of each month. As a service organization in the community, we hope Jaycees will make a good member a better person.

Gerald Nolt  
President, Mount Joy Jaycees
