tests Fri.

On Friday, February 25, members of the Marietta Ambulance Association crew will set up equipment to take blood pressure for the residents of the community. This free service will be held from 7 to 9 p.m. at the Marietta Community House, 264 W. Market Street, Marietta. This will be the first in a

series of community service events planned for the residents of the town at no cost to the citizens. The ambulance will be available for inspection by the public. Parents are urged to bring their children and are advised that this will be an excellent time to learn its function and how it works.

New crew members are needed to operate the vehicle. Anyone over the age of 18 who holds valid first aid cards may apply by contacting crew chief Stephen M. Bailey at 426-3810 or assistant chief Stephen O. Nickey at 426-3616 for more information.
