**YOUR PRESCRIPTION—
our Most Important Concern**

Hinkle's Pharmacy was founded in 1893, and from that time to present day, our most important function has been the compounding and dispensing of prescriptions.

We believe this responsibility goes a lot further than the actual filling of your physician's prescriptions.

First, by seeing that our facilities and equipment are the latest most modern available and second, by constantly improving our service, so it is as helpful and complete as we can make it.

We maintain a very large inventory of chemicals and pharmaceuticals so that regardless of the nature of your prescription, whether it be a basic medication or a rarely used vaccine or serum, we will be able to properly fulfill your medical needs.

Our professional staff is also kept up-to-date on the most recent medical developments, by attending seminars and courses made available to our profession throughout the course of a year. We invite your inquiries or questions to our pharmacists at any time.

Phone 684-2551 or 684-2552 Free delivery to areas receiving Susquehanna Times

New books at Mount Joy library

Would you like to get rid of all those books you have read and are now just taking up space on the bookshelf? Then we have the answer for you. Bring them into Mount Joy during the week of March 21st to 26th, and drop them into a Book Drive box.

The Mount Joy Welcome Wagon Club is sponsoring a Book Drive. All books collected will then be sold at a Used Book Sale to be held April 15th and 16th. All proceeds from the sale will go to the benefit of the Mount Joy Library.

So save those paperbacks, textbooks, hard cover books, cookbooks, children's books, etc. and put them to good use. Bring them to the Book Drive and help support your local library. Watch the paper next week for further details.

Spare books on your shelf?

Mount Joy Library has announced a list of new books.

Sign up for MYO baseball

Boys and girls interested in playing baseball on the MYO teams must sign up on the following dates in order to be placed on the

roster:

Thursday, March 17th, from 7:30 to 9 p.m., at the Maytown Legion Hall or Saturday, March 19th, from

10 a.m. to 12 noon at the Maytown Legion Hall.

A \$4.00 fee will be charged per child to cover the insurance.

Kids take math test for kicks

On Tuesday, March 8, students from grades 9-12 of Donegal High School participated in the 28th

Annual National High School Mathematics Examination. The contest was sponsored jointly by the

Mathematical Association of America, the Society of Actuaries, Mu Alpha Theta and the National Council of Teachers of Mathematics. The examination aims to create and to sustain interest in mathematics among students. Supplementing classroom work, it attempts to broaden and to deepen the student's experience with mathematical concepts.

On Wednesday, March 9, Jennifer Neiss, Barbara Landis, and Robert Pekarek participated in the Millersville State College Mathematics Tournament. The tournament, a 2½ hour examination, was open to high school students in the local areas. Following the examination, lunch, a tour of the campus and prizes were awarded.
