Welding

G. C. Murphy income up

G. C. Murphy Company Chairman S. Warne Robinson announced that net income for the year ended December 31, 1976 was \$11,017,000. 1976 figures are the highest in the Company's 70 year history.

Sales for the year ended December 31, 1976 reached a new record of \$620,128,000, up 12% over the \$553,695,000 reported for 1975.

Mr. Robinson stated he was pleased by these results, indicating they were primarily attributable to profit improvement in store operations.

25 new stores are scheduled for opening in 1977. During 1976, the Company opened 31 new stores, all but one of which were Murphy's Marts.

G. C. Murphy Company in Mount Joy is managed by Gerald Aheman.
