Fashions for women of all ages will be on display when the Donegal High cheerleaders present "Fools for Fashion," April 1 at 8 p.m. in the high school auditorium.

If you don't know what to buy this spring, and your eyes are getting

fuzzy from staring indecisively at the Sears catalog, this show is guaranteed to help you make up your mind.

Everything from sportswear to formal clothing will be on display. Refreshments and entertainment

are free, and 12 models will show you how the latest spring things really look.

There will be 4 adult models; Lilli Ann Kopp, Elizabeth Sarbaugh, May Greider and Claudette Miller.

Eight cheerleaders will

model teenagers' clothing; Marta Emenheiser, Loris Raber, Tracee Gotwalt, Gwenda Albert, Deb Torres, Lori Lucabaugh, Deb Saurbaugh and Pam Wivell.

Admission costs \$1.50. Jack's of Park City will provide the clothes.

Deb Saurbaugh wears a white beach cover-up with multi-colored stripes on the skirt, and smocking around the bodice. The versatile outfit doubles as a sundress or as loungewear.

## MCA gives green light to playground

The Maytown Civic Association voted to go ahead with plans for a supervised playground program this summer. The program will have to get along without outside government funding this year, but association spokesmen say the group can do the job with its own

funds. "Right now," said publicity head Ivan Hess, "it depends on the association's ability to secure 2 competent supervisors."

The next meeting of the Maytown Civic Association will be held on the first Tuesday in April.

## Letter to editor

Dear Editor:

Until recently we (Marietta Ambulance Crew Members) were unaware just how many people did not know how to call for an ambulance if one was needed. With your help, maybe we can clear up some of these misconceptions.

One common belief is that only a doctor can call for an ambulance. This is far from the truth. Anyone who needs the ambulance may call for it. In Marietta you will call 653-2046. This will connect you with Central Dispatching in Lancaster. There is no toll charge for this call. When the dispatcher answers you will,

as calmly as possible, give him your name, address, phone number, and nature of the problem. In extreme emergencies, excitement or misinformation can mean the difference between life or death. The dispatcher will handle things from there and in most cases the ambulance will be on the road within minutes.

In other cases where you have an elderly or disabled family member who is to be admitted to the hospital and it is not an emergency you can follow the same procedure. You can call Central Dispatching at 653-2046 to make the arrangements or you can call our scheduler for Marietta,

Mrs. Roy Eppley at 426-1814. Many people call us 'a necessary evil.' Nobody looks forward to needing the ambulance, but when the necessity arises, we feel that everyone should be schooled in the procedures for calling us. If anyone would have any further questions, please do not hesitate to contact me for addition information.

Also at this time I would like to remind the residents and businesses in Marietta of our equipment fund drive. New equipment is constantly coming out for better care of patients, so it becomes necessary for us to ask the people of Mari-

etta to help us in getting new, modern equipment for the ambulance. We have donation jars located in the various businesses in town, or donations can be mailed to the ambulance association at 100 West Market Street, Marietta.

The entire crew would like to thank everyone in town for supporting our activities and a special thanks to the editor and staff of the **Susquehanna Times** for giving our organization very fine publicity.

Sincerely,  
**Stephen M. Bailey**
