Want to be a beauty queen?

The Mount Joy Jaycees are this year, again, planning the Miss Mount Joy Scholarship Pageant. The pageant this year is tentatively scheduled for Saturday, May 21 at 8:00 p.m. in the Donegal High School Auditorium. The pageant will be kicking off a week of activities in the Mount Joy Area.

Any girl finishing her junior year in high school or up until the age of 23, living in the Mount Joy Area, is invited to enter the pageant. Girls interested should call 653-1642.

Spring cleanup

This year the Borough of Mount Joy's spring cleanup will be held from Monday, April 25th through Friday, April 29th. During this week, the Borough will provide free refuse pickup for all residents.

Residents are asked to bear in mind the following guidelines during the cleanup:

1. Small items that can be placed into 20 gallon trash containers will be picked up by the refuse truck and should be placed out with your trash to be picked up on your regularly scheduled day.

2. Large bulky items, large piles of brush, items weighing more than 50 pounds, or items made of heavy metal will be picked up separately by the Borough Crew. If you have items of this type, you must call the Borough Office and leave your name, address and telephone number before Friday (April 29th) at 3:00 p.m. No calls will be accepted after this time.

Please be advised that all articles must be placed out at the curb for pickup.

The big balloon launching at Riverview

Whither weather Balloons?

You may soon be receiving a message from above. In case you do, it will be in the form of a written note from a Riverview Elementary School student. There will be a balloon attached.

Last week 60 helium-filled balloons were launched at Riverview by the 2nd

and 3rd grade classes of Mrs. Darla Mason and Mrs. Romaine Kline. The students were conducting the balloon launch as part of their current study of weather and weather forecasting and recording instruments.

Meet Marietta candidates

The Marietta Lions Club is presenting the first of two "Meet Your Candidate" nights.

Mr. J. Robert "Red" Flanagan, candidate for mayor of Marietta, will speak before the Marietta Lions on Thursday, April 17, 1977 at the Colonial Inn beginning at 7:00 p.m.

After his discussion a brief period will be available for questions and answers.

His opponent, Mr. Harold Kulman, will speak at the following meeting on Thursday, April 24, 1977.

The public is invited to participate in both of these evening events.

Stan Curry -the little motor in his head runs at high speed

"I want to be Number One.. I want to be Number One..." That's what was probably going through Stan Curry's mind as he crossed the finish line of the 100 yard dash last Thursday and set a new county record of 9.9 seconds.

The Donegal runner, who also won the 220 and 440 in the meet with Annville-Cleona last week, is of course in good condition: but he sees running as more of a mental activity than a physical one.

"When I'm running, I ask myself, 'How can I go faster?' When I get tired, I just start thinking about how I want to be number one runner in the state. If you want to win badly enough, you will."

Stan tries to beat his own time whenever he competes in an event. Last Thursday he outdid himself in the 100 yards, but he hopes to shave another .2 seconds off his time when he runs at the Shippensburg regional meet this week. If he does it, he will be only .6 seconds slower than the world's fastest runners who do the 100 in 9.1.

Donegal's track coach is Rudy Milovanovic, of whom Stan says, "I owe it all to him. I do everything he tells me to; it works." Rudy told the *Susquehanna Times* that Stan is "right on schedule. He works hard, he's dedicated." Rudy talked Stan into joining the track team two years ago when Stan moved here from Akron, Ohio.

The first thing a runner must do is get in condition, according to Rudy. Then he must be "toned" and "primed". Rudy and Stan discuss goals for Stan to attempt at each meet. If Stan didn't have a goal, he wouldn't run fast.

"I hope to be state champ some day," Stan told us. "And whenever I run I keep my team mates and the fans in mind. I

don't want to let them down, and that makes me try harder." One reason he expects to do well at the Shippensburg meet is that his mother is driving 400 miles from Ohio to watch him compete: "I'd be very disappointed not to win after she came so far hoping to see me come in first," he says.

Every runner probably has some mental approach to getting there quickly. Henry Klugh, who set a new school record for the mile at last week's meet, told us that he "laughs a lot" on the home stretch. A
