Friendship Co. burns note, honors John Wealand, Jr.

The Friendship Fire Co. burned the note on their \$25,400 Horton Modular Ambulance Monday night. They also presented a certificate to John C. Wealand, Jr., for his rescue at the scene of an accident.

The note was burned by ambulance committee chairman Mary Hoffmaster and fire co. president Don Alleman.

The ambulance was brand new when it was purchased in 1975. It is equipped for intensive coronary care (under a doctor's

orders), and equipment includes a defibrillator and IV solutions.

There are 35 ambulance personnel, including RNs, practical nurses and advanced first aid people. Twelve crew-members are trained in coronary care.

The certificate given to DHS student John Wealand is "in recognition of the service he contributed to members of his hockey team and their families."

John is a member of Friendship Company's Jr. Firefighters and has taken rescue and first aid courses

with the company. His training was very useful when a bus carrying his hockey team crashed in New York State.

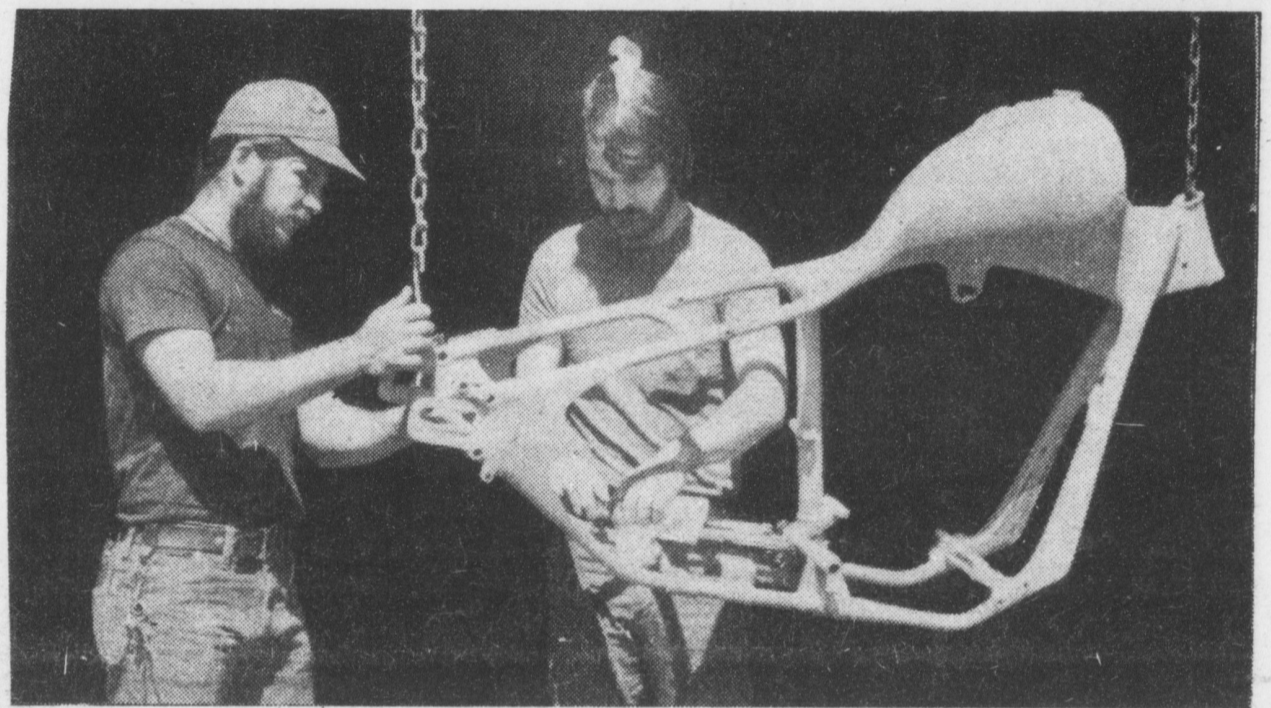

The certificate reads, "He exhibited a talent of unselfishness, concern for his friends, and was instrumental in helping to give aid and attention to those who were injured."

Stan does it again

Stan Curry is in the Lancaster-Lebanon Track League record book again. Curry blazed to victory in the 440 last Thursday with a record-breaking 49.3 at Donegal High School.

For Curry it was the second time this season he's made record book. The first came last week

when he was clocked in the 100 at 9.9 which tied the league record. He also matched that time on Thursday.

In establishing a new 440 mark, Curry broke the record held by Bob Burger of Penn Manor. Burger's time was 49.4. He recorded it in 1967.
