The supervisors recently appointed Richard Forry, son of supervisor Jacob Forry, to the secretary-treasurer post. Richard Forry has been praised for helping put the township's zoning ordinances into an understandable order.

The supervisors said they will pay Richard Forry \$4 per hour until the job description is developed at which time a new rate of

pay will also be set.

In other business, the supervisors voted to increase the pay of part-time policeman Melven Detz to \$3.15 an hour from \$3.

The supervisors said they had received a letter from the Northwest Lancaster County Medical Center requesting that the township ask the state to install a traffic light at the intersection of Route 230 and Cloverleaf Road.
