Mount Joy Area Historical Society news

by Mrs. Wm. Barto

Maurice Sanko, President of the Manheim Historical Society was the guest speaker at the April meeting of the Mount Joy Area Historical Society held in the Borough Hall, Mount Joy. His topic, "Concern, Involvement and Programming" indicated the growth of the Manheim group over the past years and highlighted their experiences in the restoration of the Fasig House. He particularly stressed preserving "Now" for future generations as well as looking to the past for our heritage. He presented several pamphlets and booklets to the Society and members.

John Kendig, also of the Manheim Society, spoke briefly and presented a copy of an original deed concerning the Richland portion of Mount Joy. Mrs. Sanko and Mrs. Brackbill

were also guests.

W. Bernell Heisey, President of the Mount Joy Area Historical Society, welcomed new members Mr. and Mrs. Wm. J. Miller, Paul Lauver, and Mrs. Robert Shank. He also announced that plans are underway for the Hobby and Crafts Show to be held May 21 and 22 in the Wilbur I. Beahm Junior High School, Mount Joy. Many members of the

society and others in the community will be exhibiting. There are still a limited number of spaces available and interested persons should contact either Mrs. Warren Heisey (653-4013) or Mrs. William Barto (653-2410).

"Show and Tell" Night will be observed at the May meeting. Albums and scrapbooks of Mount Joy will be on display.

Landisville Lions roar silently

by Ron Steinmetz

The "Lion's roar" was translated into the silent language of the deaf at a recent meeting of the Landisville Lions Club.

Members of the Lancaster deaf community were present to demonstrate the workings of telecommunications systems for the deaf. The Landisville club presented a "coupler", by which messages are transmitted from an ordinary telephone instrument to a printing device, to the St. Matthew United Lutheran Church at ceremonies Sunday.

The club's chairman of the committee for working with the deaf, Harold Schriver, presented the Rev. William Hower, pastor of the church, who told how the device is being utilized.

James Sangrey, a member of the deaf community, who installs and repairs teletypewriters (TTY), explained how they work, with the assistance of Glenn Nevins. Sangrey noted there is also a similar system which works by radio waves (RTTY) rather than by telephone. At present this is limited to about 26 miles.

A talk on Camp Hebron, a deaf youth camp, was presented by the Rev. Raymond Rohrer, pastor of the First Deaf Mennonite Church of Lancaster. His interpreter was his daughter, Wanda Joy Rohrer.

The Landisville Lions Club is sponsoring two camperships this summer. The camp is situated near the Appalachian Trail about 15 miles north of Harrisburg, and is sponsored by the church. Camping dates are June 19-25.

The president of the club, Samuel Davis, explained that the interest in working with the deaf represents an extension of the club's interest in the handicapped, and does not detract from the traditional Lion's interest in sight-saving and working with the blind.

Wallander teaches course

DID YOU HEAR....

Mr. and Mrs. Marlin McMillen of Marietta woke up before 5 a.m. Monday morning to insure that they would be the first customers at the new "Breakfast and Lunch by Doc" restaurant on Route 441, Marietta.

The McMillens even brought the first dollar bill earned by the restaurant's owners, Mr. and Mrs. Christopher Dockman, already framed.

The McMillens are the former owners of the new restaurant which was known as "McMillen's Drive-in" before the Dockmans bought it. Mr. Dockman said that he sincerely appreciated the hospitality the McMillens showed him in welcoming him and his business into the neighborhood.
