

## Marietta Boro Council meets

Councilman Kenneth Ross

Marietta Boro Council adopted the proposed amendments of the Zoning Ordinance which required a building permit to be issued by the Zoning Officer for:

1. Any erection, construction, alterations, regulation extension, replacement or substantial improvement of any building or structure, when the fair market value of said work exceeds \$300.

2. Any change of use of a building, structure and or land.

Additional amendments deal with the issuing by the Zoning Officer of a certificate of occupancy, after a certificate of compliance has been issued, in accordance with Flood plain

regulations as set by National Flood Insurance Program.

A number of property owners attended the session Tuesday when council deemed four trees on West Front Street as "public nuisance interfering with the flow of traffic" and ordered them removed. Who will pay will be determined by Council if it isn't included in the cost of the project Council is considering a reimbursement to the property owners.

Bids for installing curbs on the south side of Front Street were rejected. Specifications for the 1,662 feet of curbing will be readvertised for bids.

Owners of sidewalks and

curbs in disrepair will be notified to comply with Ordinance #281.

Ken Ross of Fairview Ave., Marietta, an employee of Standard Register Equipment in York, was appointed to fill the unexpired term of Earl Roberts as a member of Council.

Representatives from Lancaster Community Action Program gave a progress report on the planned Community Canning Center in the Boro Hall basement. The tentative opening date is June 6.

Marietta Lions Club assumed the maintenance of the four fixtures in the square.

Marietta Restoration Associates signed a two year lease on the old Zion

Church, with an option to renew. Maintenance will be the responsibility of the associates.

Permission was granted the American Legion to sponsor the annual Memorial Day Parade; the social affairs committee of the Zion Lutheran Church to conduct a mother-father picnic at Memorial Park on June 5; Pioneer Fire Co., to conduct a flea market and yard sale on June 25.

The clean up - fix up program is in progress, with the second phase of trash pick-ups set for May 12 (from Bank Street to Gay Street); May 19 (from Chestnut Street to Gay Street); and on May 26 (from Gay Street to Armstrong).

## Stan Curry wins the 440

Donegal's Stan Curry set a new meet record of 49.5 in the 440 at the Lancaster - Lebanon League championships last week.

Stan came in second in the 100 yards and the 220. In both events he was

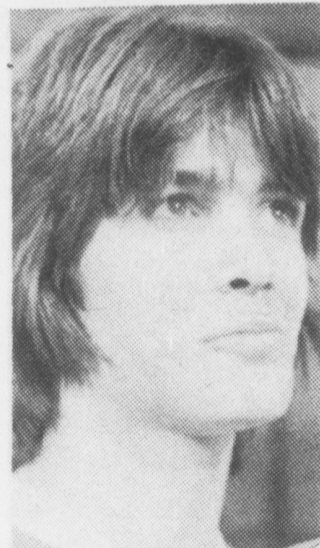

barely edged out by Bob Allen, a McCaskey junior. Allen was one step ahead in the 100, and two steps ahead in the 220.

Stan's time in the 440 was one full second better than his time last year,

which also broke the record.

Stan told a reporter that he could probably have done the 440 in a second less, but he was saving some of his energy for the 220, which took place later.

## Mathias vaults to victory

Chip Mathias

While Stan Curry was doing his thing at the Lancaster - Lebanon League Championships, his friend "Chip" Mathias of Columbia was also competing in the pole vault. He set a new meet record in that event of 13 feet, 3 inches, beating the old record by 3 inches.

Chip also competes in other track events, and was named Most Valuable basketball player last year. His

eventual goal for the pole vault is 14-6; he has already cleared 14 feet in practice.

Chip (his real name is Charles) stands 6-1 and weighs 150 pounds. He is the son of Mr. and Mrs. Carl Mathias, 1020 Central Avenue, Columbia.

Chip started pole vaulting when a friend bet him a candy bar that he couldn't do it. Of course, he won the candy bar.

## Hockey Team to meet

The Norlanco Club Hockey Team will begin its fourth season of play with an important meeting on Wednesday, May 25, 1977 at 7:00 P.M., in the Home Economics room of the W.I. Beahm Jr. High School.

Last year's team members are urged to continue their support by attending this meeting. Prospective members are reminded that club hockey is an opportunity for women who are beyond high school age and are not presently playing on a college team to continue playing hockey. Players from Elizabethtown, Manheim, Marietta, Maytown and Mount Joy areas are welcome to participate. The club's home field is Donegal High School where games are played on Saturdays and Sundays beginning in September. Presently, there are approximately seven club teams in the counties of Lancaster, Leb-

anon, York, and Berks which have formed the Women's Intercounty Hockey League. This past season, Norlanco played a total of twelve league games and finished in second place.

The Norlanco Club would like to continue offering non-playing memberships along with the regular

playing memberships. Non-playing memberships are extended to those unable to play due to other commitments and to those who like to support our club.

Refreshments will be served following the meeting. If you are unable to attend or have any questions, please call Deb Kelly Reuter (653-2807) or Joyce Zangari (367-6688).

## Bike safety course

A bike safety program will be held at the Maytown Elementary School on Saturday, May 21. The program will begin at 9 a.m. Included in the safety program will be a film, a bike inspection and bicycle skills.

Grades one through six are invited to participate. There will be prizes for each grade. Prizes will be donated by Marcos Res-

taurant, Marietta, Doc's Restaurant, Marietta and Ridgeview Dairies of Elizabethtown.

Parents are urged to come to the program. Rain date is May 28. The bike safety program is under the direction of Pastor and Mrs. Hall, Maytown. Anyone wishing to help with the program please call Mrs. Sandy Hall at 426-3431.
