Anne Spangler

featured in show at Indiana U.

Anne Spangler, a Junior at Indiana University of Pennsylvania, will be one of several Interior Design students featured in the show "Design Directions" opening May 15 on the IUP campus. Through the use of renderings and completed room installations, this display is intended to acquaint both amateurs and professionals with the Interior Design program at Indiana University of Pennsylvania and to show the student's capabilities and

interpreting creative design problems.

Miss Spangler was designer for the 3 room Consumer Service Office Complex located in Ackerman Hall on campus. All designing and actual labor was either performed or supervised by these students to gain practical experience in the Interior Design field.

Miss Spangler is the daughter of Mr. and Mrs. Robert Spangler of Marietta.
