Letters

(Ed. note: This is a copy of a letter sent to Rep. Kenneth Brandt.)

Dear Mr. Brandt: I am a member of the faculty at Riverview Elementary School located along Route 441, Marietta.

May 16th I had my second narrow escape from being hit as I was attempting a left-hand turn into the school drive.

My signal lights in both cases were on in good time to warn the drivers of my

intentions, but they went around me regardless.

Very recently, one of our buses was hit. Last school year one of our employees was hit. Several of our employees, faculty members, and our principal have been almost hit.

It seems the traffic lines on the highway give the drivers a feeling of all-clear and they exercise no caution whatsoever. A bit farther west of the school, I've noticed double solid lines on the highway. I believe the double solid lines prohibiting passing should be in front of our school. I have not observed any SCHOOL or SLOW signs giving the drivers any warning of the proximity of the school.

This is definitely a dangerous place. I am hoping some action will be taken before we have a fatality or serious injuries.

Sincerely,
Mrs. Esther H. Kettering
School Teacher

Fun Day at Maytown

Amanda Swab of Maytown impersonates a traffic barrier.

A sack race.

The tug-o-war.

Kids at Maytown School's "Fun Day" in a tug-o-war. To some, a very serious matter; to others, a seeming joke. The screams of the victorious reached 120 dB.

Marietta Ambulance membership drive

The annual membership drive for the Marietta Area Ambulance Association will be held on the first two weeks in June. All ambulance personnel (with Dean Shope as chairman), assisted by residents, will canvas the boro. Memberships will be \$5 per family and \$3 per individual. Persons not contacted may obtain membership cards at Farmers First Bank, or from Mrs. Roy Eppley. Each home will receive a sticker with the Ambulance phone number.

The MAAA established the local run from route #23 to Kames Hill Road, to old route #441 to Breezy View Road, across Breezy View Road to new route #441 and returning to Marietta. The agreement was confirmed with the Columbia Area Ambulance Association, which will cover the remaining rural area into Columbia.
