

"Happy Days"

For a musical/comedy to be successful, a competent back stage crew is essential. In the upcoming production on June 3rd and 4th, the following have been extremely dedicated and helpful. They are: Jeanne Freed and Katie Carroll, who are in charge of the program and help back stage. Steve Henry who is helping with costumes and stage crew. Steve Adams who is assistant stage director, rounded off with Tom Bair and Randy Shelly, operating the ropes of the curtains.

Those **Happy Days**, a musical comedy revue of the fifties will be presented on June 3rd and 4th in the Donegal High School Auditorium. The curtain is at 8 p.m. Tickets may be purchased from any cast mem-

ber or by calling Mrs. Vivian Carroll in the evenings at 426-1270.

The plot is developed through a series of flashbacks brought on by the return of the 1954 Graduating Class, whose class incidentally voted not to have a twenty-five year reunion but instead a twenty-three year day at school with a combination Senior Prom / Reunion Dance in the new gym.

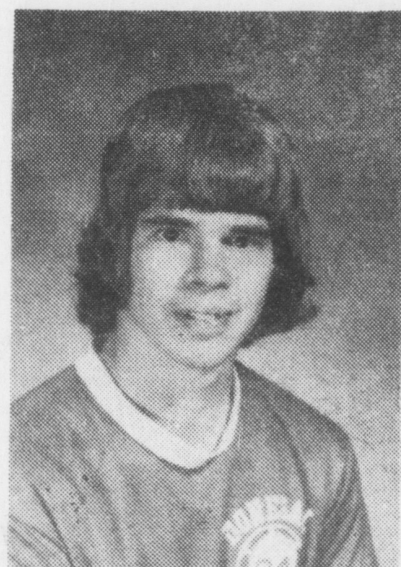

The play uses various devices of the stage such as pantomime, tap dance, vaudeville antics, hootenannies, and even drama to convey its very simple message. Simply stated: "People really don't change." The fifties had their thinkers, jokers, and fun seekers. The problem is that it is easier to see

the faults of the young people at hand since it is only natural to remember mainly the good incidents about the past.

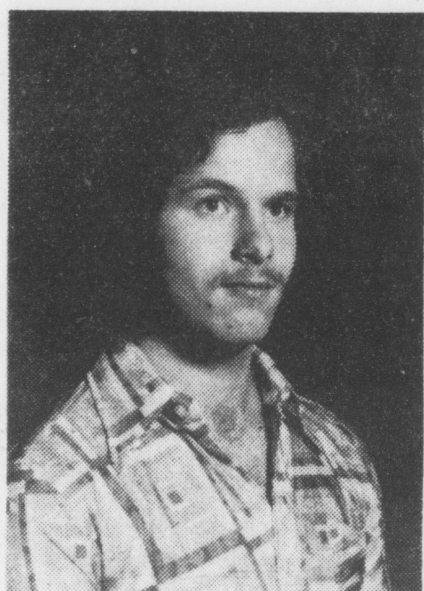

There are eighty-five people in supporting roles. Seventy additional students will work on sound, lights, program, publicity, costumes, tickets, scenery, and make-up.

The entire production is under the direction of Mr. Joseph Siberski, English Instructor, at Donegal High School.

The show is being sponsored by the Parents Booster Club. The money will help defray the costs of Project D-Lite. Tickets can be purchased at Sloan's Pharmacy, Mount Joy, Hi-Lo in Marietta, any football players or cast member.
