

# Those Happy Days

150 DHS students are ready to bring you **Those Happy Days**, a musical comedy about the Fifties, to be presented at DHS on June 3rd and 4th at 8:00 p.m. The students, under the direction of Mr. Joe Siberski, Donegal English teacher, have spent a great deal of time and energy on this lavish production. Shown above is only a small segment of the cast: the "70's" group, with the latest modes and manners. Across the top from left to right are Erin Ney, Cindy Hendrix, and Tracy Hoffman. The next row down, starting with the girl in the straw hat, is Jeany Lauver, Dawn Bowman, and Deb Mumper. The man with the paint is Rick McBride. Leaning on him is Kim Wilkinson. Back to back are, left, Hang Nguyeh, and right, Van Nguyeh. Gesturing on the floor is Anthony Branch. How very hap.
