'Alphabet Revue' at Grandview

The Grandview morning kindergarten class put on a program on May 17 called "An Alphabet Revue." The program was introduced by the entire class singing the alphabet song. Afterward each student recited a verse about the letter to

which he had been assigned. These letters were worn on the students' chests.

Many of them used props to illustrate the verse. From there they sang the spelling songs and

spelled our different words. The finale was another ABC song that the class worked very hard to learn.

Mrs. Enos and Mrs. Roland provided piano accompaniment. The parents helped with verses and props.
