FIFTEEN CENTS

County buys 84 acres on Chickies

—pays 299,000 dollars

Last Thursday, Lancaster County purchased 84 acres of land on Chickies hill. The land is intended for the Chickies Park which was decreed several months ago.

One tract of 21.5 acres will be sold by the county, as it is not in the park area. The other tracts adjoin the Lancaster Conservancy's land, which is to be part of the park. Other land in the area is still in the hands of private individuals or utilities.

The county paid \$299,000 altogether, thus paying \$3,559 per acre. The County Commissioners have no plans to develop the land immediately.

The newly purchased area consists mostly of farmland. It is unlikely, however, that a farmer could have bought the land at that price for the purpose of raising crops; the investment would have been too costly.

The County Commissioners are hoping to get up to 50% of the cost back from the Federal Government. They have yet to apply (a preliminary application was made last fall).

The land was bought at a public auction by County Solicitor John Rengier, accompanied by two Commissioners. Auctioneer was Harold Keller.

First Aid course to be given in Marietta

On July 5 & 6, 1977 the Standard—Multimedia System First Aid Course will be given at the Marietta Community House Gym. The objective of the course is to teach people the elements of first aid so that they can perform satisfactorily in the event of an emergency.

The course will be held from 6:00 p.m. to 10:00 p.m. The course consists of 20 film segments, 17 practice sessions, and 13 workbook lessons. The course will last 4 hours each night. Attendance both nights is required to be eligible for your red cross certificate.

The cost for books and materials for the course is \$7.10. The Red Cross does not charge or receive fees for instruction.

Instructor of the course will be Stephen Bailey of

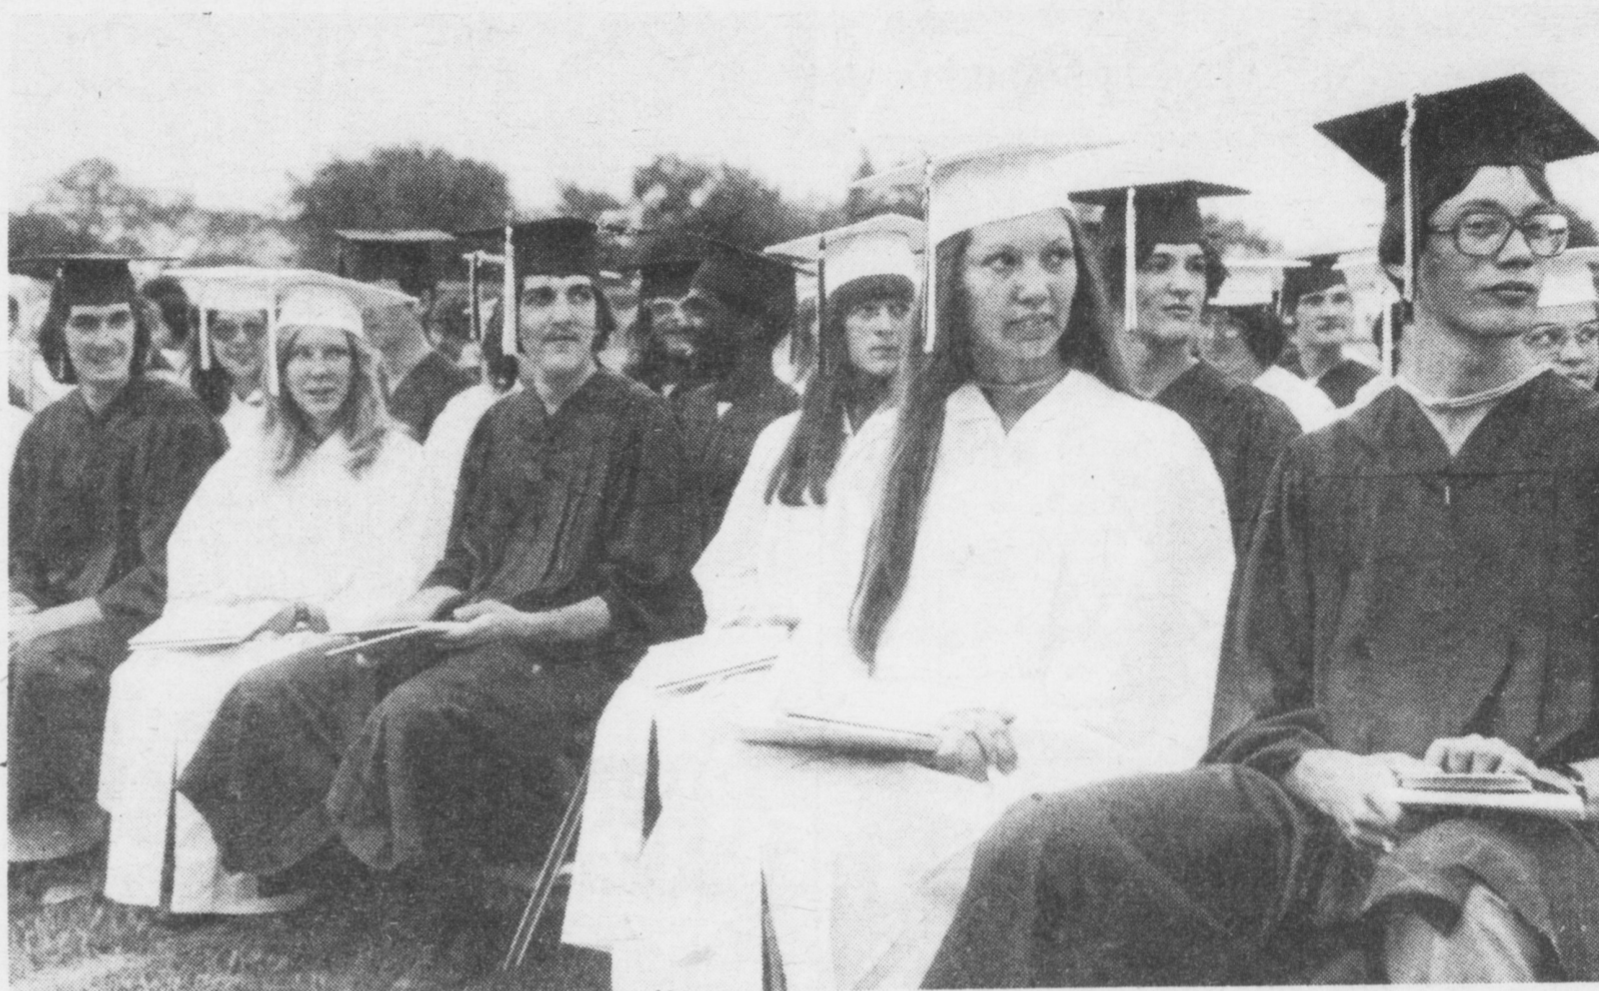

416 W. Market St., Marietta. Bailey, a Red Cross instructor and Emergency Medical Technician, is also crew chief of the Marietta Ambulance.

The course is open to the general public. Those interested can register by calling Steve Bailey at 426-3810.

Students in the course will be taught basic first aid for the following;

Wounds, Shock, Artificial Respiration, Poisoning, Burns, Ill Effects of Heat and Cold, Bandaging, Immobilization, Simple Fainting, Epilepsy, Foreign Objects in the Eye, Air Passages, Food Passages, Rescue and Transfer.

Remember, this is an excellent opportunity to get valuable first aid training that can be useful in every day life. Register early.

D.H.S. grads watch the ceremonies in their honor.
