

Donegal Sertoma Club elects officers

Donegal Sertoma, a newly-formed service club in the Donegal Area, has signed twenty-seven members. The club is a seed-back sponsored by the Lancaster Sertoma and was organized with the help of Jack Warrenfeltz, Jerry Remley, Dr. Barry Walp and numerous other Serto-

mans.

The following officers were officially elected at their permanent organizational meeting held June 9, 1977:

Jay Heller, President; Archie Seats, Vice President (Membership); Galen Brandt, Vice President (Program); Ray Knorr, Vice President (Sponsorship);

Mike Torres, Secretary; James Kopp, Treasurer; and Gabe Schlollhaver, Sergeant-at-Arms. Elected Directors were Nelson Breneman, John Crider, Joe Grazan, Jerry Docterman, Dale Kerchner and Dennis Heller.

Other charter members include John Barton, Geof-

fery Benes, Dale Boyer, Dale Boyer, Jr., Dale Good, Joseph Grazan, Jr., Bill Hawk, Raymon T. Knorr, Robert Morris, J.L. Oxford, Lamar Stutzman, William Minick, James Randolph and James Mummau.

The new club also adopted its Constitution and By-laws at the meeting

which was conducted by Ben Luma, Field Representative of Sertoma International.

"Now that our club is firmly established, we want to begin a strong program of 'Service to Mankind'. From the enthusiasm we have experienced so far, I

know we will have an active club to serve the needs of our community", said Charter President Jay Heller.

A Charter Banquet will be held July 16, 1977 at Carpenter's Inn, Elizabethtown, Pa.

New bar in historic catacombs

Bube's Bar is a new addition to the historical catacombs adjoining the Central Hotel in Mount Joy.

This unique and romantic spot, which complements the new catacombs dining area, is open to the public.

Cafeteria. A final report on the festival will be given. Ways to use the profits from the festival will be discussed.

AMF | Caretaker

Controls at Your Fingertips

All operating controls are located right on the handle—including the throttle, speed selector (for self-propelled models), electric and pull-up starters. And Caretaker has a "deadman" handle which automatically stops the mower when the operator removes his hands.

Convenient Folding Handle

Thanks to this standard three height adjustment folding handle, it's easy to store and transport Caretaker.

Grass Bag Removal

The collection "drawer" slides out easily for loading and unloading bags.

10 Inch Rear Wheels

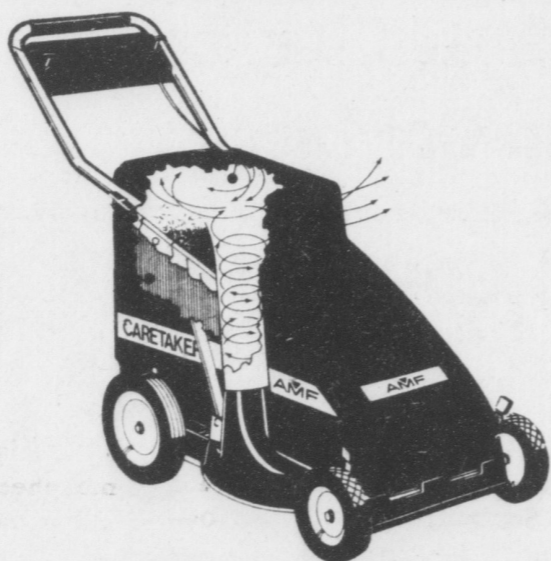

For easy maneuverability

AMF's Exclusive Flexor Blade

When the three-piece Flexor Blade hits something hard, it merely flexes, then snaps back—protecting the crank shaft and eliminating a potential cause of costly engine damage.

A Vortex of Air Packs Grass Clippings Right in the Bag

A special lift on the unique Caretaker blade creates an upward movement of air that throws

grass clippings into a separator. In the separator, air is released through an opening in the shroud, and the swirling grass settles into ordinary trash bags.

Noise Suppression

On every Caretaker model, the powerful, 4 hp, four cycle Briggs & Stratton engine is covered by a noise dampening shroud, which lifts easily for engine maintenance. The muffler's positioned under the lightweight, cast aluminum deck for even more noise control.

Quick Height Adjustment

Cutting height can be adjusted at each wheel instantly.

Cast Aluminum Deck

One piece cast aluminum deck for strength and lightweight maneuverability.

PVT. Larry Rapp becomes cannoneer

Army Private Larry K. Rapp, son of Mr. and Mrs. Earl W. Rapp, 212 E. Front St., Marietta, Pa., recently completed training as a cannoneer under the One Station Unit Training (OSUR) Program at Ft. Sill, Okla.

OSUR is a 13-week period which combines basic combat training with advanced individual training.

Students learned the duties of a howitzer or gun section crewman and received instruction in handling ammunition, setting fuses and preparing charges, communications and maintenance.

The private entered the Army in February of this year.

Pvt. Rapp is a 1976 graduate of Donegal High School.
