Come and see our life-size **Tastee Dog**

These bovines were on display outside the Florin Church of the Brethren last Sunday. They were representing the 18 heifers which the Church is sending overseas as part of the Heifer Project International, which ships not only heifers, but pigs, rabbits, chicks and bees as well. The money to buy the animals was raised by church projects such as auctions and car washes. Many local farmers also sold heifers at cost rather than at a profit for the Project.
