## Donegal Pacers

by Charles Leader

On the July 4th holiday, 3 Donegal Pacers took part in distance races. Chuck Leader participated in the Hanover Heritage Day Run, a 6 mile race. His time was 33:26 for the 6 mile course, which earned him a 9th place finish out of 100 total runners. Leader also placed 3rd in his age bracket (19-29) and received a third place ribbon for his efforts.

On the same day two other Donegal Pacers (Dave Halbleib and Chuck Porter) participated in the American Bank Pagoda Run, held in Reading. This was a tough half marathon course covering 13.1 miles. Halbleib covered the course

in 1 hour, 27 min. and 24 sec. to earn him a 103rd place finish among over 300 other runners. Porter ran the race in 1 hour, 41 min. and 8 seconds.

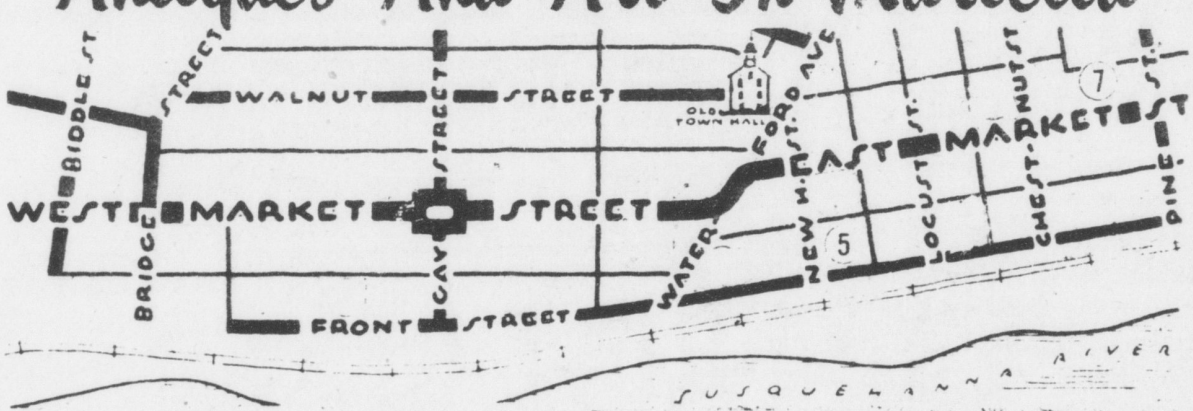

On July 9th, only five days after their previous races, Chuck Leader and Dave Halbleib traveled to Maryland for another race. This time they participated in the Gun Powder Neck 10 mile race held on the Aberdeen Proving Grounds. This race is considered one of the major races held on the east coast. Runners from many states participated.

Leader covered the course in 61:50 for 46th place in a field of 300. Halbleib covered the course in 67:12 which placed him 105th.

## Before You Buy Central Air Conditioning, Check the E.E.R.

**IT CAN SAVE YOU MORE THAN ENERGY.**

Energy Efficiency Ratio is defined as: The quotient obtained by dividing BTU'S/HR. output by the electrical watts input during cooling. This value represents the relative electrical efficiency of air conditioning equipment.

Let us show you in dollars and cents how a high efficiency Rheem system can actually save you money in operating costs, even though the initial investment may be slightly more. Call us for complete details.
