New speed limit

at Long Lane accident scene

Last Wednesday a new speed limit was posted at the crest of the hill, on Long Lane, where a boy was killed by a truck several weeks ago. The limit was changed from 55 m.p.h. to 40 m.p.h.

As reported in last week's Times, the stopping distance over the hill ex-

ceeded the visibility by several hundred feet under the old speed limit.

Any person knowing of a similar dangerous traffic situation in our township is invited to bring the matter to the community's attention by writing a letter to the Times. All such letters will be published.
