Florin Playground kids on their trip

Florin Playground news

The highlight of the Florin Playground activities this week was a hike to the cove. We all packed a lunch. Our trusty anglers took their rods and bait down to the cove with visions of rainbow trout, but had to settle for a few crayfish. It was a hot but pleasant experience hiking

to the cove, with Tom Konas at the front of the line, Gene Funk at the end, and our fearless leader Whitey Hayman in his ambulance (Toyota Wagon) cruising the route.

Other activities we had this past week were a String Art Craft and a

Dress up like a Clown Day. This coming week, and continuing until August 4th, are the Florin Playground Swimming Lessons held at the Mount Joy Lions Pool. Lessons are held from 9:00 a.m.-10:00 a.m. each day except Tuesday. Also in next week's activities is a Rec-

reational Swim at the Pool on Monday from 1 - 3. We leave Florin Playground at 12:30 to go to the pool. A reminder: all children attending Swimming Lessons or the Recreational Swim must be registered at the Florin Playground with the Mount Joy Recreation Association.

Pizza

Last week 4-H girls learned to make pizza at the E-town Pizza Hut as part of their study of international cooking. The photo above shows manager Joe Batista instructing the group in the kitchen of the Pizza Hut. Meeting for six weeks, the girls (Gail Bukowski, Tammy Eberly, Jean Garber, and Angela Fry) prepared one dish each week from various countries. They also visited Groff's Farm Restaurant. Group leader was Barbara Banks.
